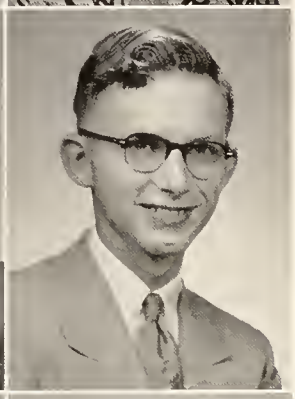
SHARON KAY SNYDER is the jolliest and happiest girl in our class. Tootsie Babe, so called by her Kenny, is active in Commercial, Red Cross, GUS, and Home Ec Clubs, F.T.A., and Speakers' Stand. Want to know any of the latest news? Then just visit room 14 and get the dope from Sherry.

A swell fellow in our class is JOE SPECHT. He is vice-president of Phi-Chem and Red Cross Clubs; he won his E in *ADVANCE* and is Exchange Editor this year. He is also active on the track team and in intramural sports. Joe wants to be a small time contractor with a hammer of his own.

MARCIA KATHERINE STRATER, often called Marsh, is unorganized sports leader in G.A.A. this year. She has been active on the *ANLIBRUM* staff and worked on the junior prom program committee. Marsh also belongs to Commercial Club in her spare time. She hopes to go to college or become a secretary.

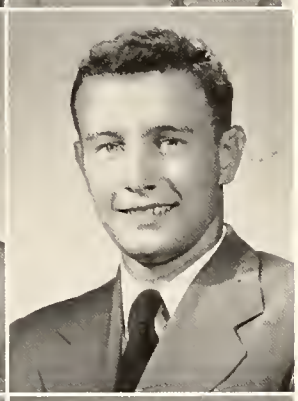
A jolly gal is ROSEMARY THORNBURG, who is more often called Chubby. She is active in Glee, GUS, and Red Cross Clubs. Chubby wants to be either a nurse or a social worker.

An active member of our class is ROBERT L. THURBER, JR. Bob belongs to Commercial, Red Cross, and F. Clubs. He is also a member of the Booster and Phi-Chem Clubs. His main ambition is to be a refrigeration engineer.



RICHARD L. TIPTON wants to be a captain of an ocean liner. Dick enjoyed intramural basketball. Red Cross Club, GUS Club, Booster Club and Rifle Club were his other activities.

A very popular boy at Elmhurst is the president of our class, HOWARD STUART TRAINER. You can find Stu working on the *ANLIBRUM* staff or in Red Cross and GUS Clubs. Stu was catcher on our softball team. His ambition is to be a mechanic for his little green Ford.



A curly-haired lad in our class is JOE TRAVIS. He is active in the Red Cross, GUS, and Commercial Clubs. He spent his noon hours playing intramural basketball. Joe also was on the track team. When asked his ambition, he replied, "To be a commercial pilot."

A guy full of the old nick is DWIGHT UMBER. He is active in Glee, Rifle, and Red Cross Clubs. Dwight was on both the decoration and slider committees for the junior prom. Dwight is planning to follow in his dad's footsteps at the hardware store.

PHYLLIS ANN VAN OSDALE has been active in Red Cross, Commercial, F.T.A., Booster, and GUS Clubs. Squirt worked on the decoration committee for the junior prom, and this past year she slaved on the *ANNIE*. Her main ambition is to get *that* man to put two rings on her left hand.

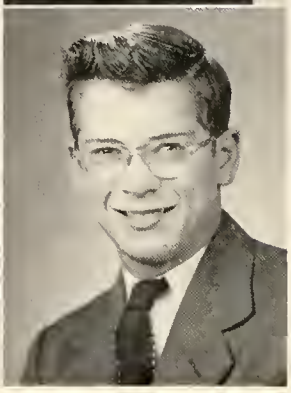
Phil, or PHYLLIS WALDROP, whose main ambition is to be a private secretary, was very active for four years as a twirler. Phil is treasurer of the senior class. She has earned letters in G.A.A., Home Ec., and twirling. Phyllis also worked on the prom committee and the *ANNIE* staff.

A busy and popular gal is MARTHA WALKER. Mart is president of F.T.A., Commercial Club secretary, and News Editor of the *ADVANCE*. She's won letters in G.A.A., *ADVANCE*, and Glee Club. Mart worked on the Prom committee and on the *ANLIBRUM* staff. Her ambition is to become a well paid secretary.

Ennie, better known as ARLENE L. WEIBEL, is one of our quiet, studious seniors. Arlene was a member of Red Cross, Commercial Club, and GUS Clubs. Ennie's main ambition is to be either an office worker or a veterinarian.

JUDITH MAXINE WIRE, or Judie, a cute little blond gal, kept herself busy four years as a flag bearer. She was also active in the GUS, Red Cross, F.T.A., and G.A.A. Clubs. Judie worked on the *ADVANCE* and *ANNIE* staffs. She hopes to be a commercial artist someday.

A long-haired gal in our class is CARROLL WOODS. Carroll is president of Glee Club. She is an active member in G.A.A., Red Cross, Commercial, and E Clubs. Her main ambition is to become a secretary.



JERRY R. WORKING, or just plain Jerry, plans to be a civil engineer. Last year Jerry could be found working hard on the prom committee. Jerry is active in the Phi-Chem and Red Cross Clubs. He seems to get a big kick out of torturing the teachers.

Magazine Salesmen

Back Row: Nelson McBride, Bill Briant, Marvin Bickel, Dave Meid, Ed Seidel
Front Row: John Poffenberger, Barbara Strubbe, Mary Ann Freiburger, Marcia Strater, Carolyn Eickhoff, Shirley Swain, Burt Smith

Even though the goal of $10,000 set for the magazine campaign was not reached, we did sell $8,910.00 worth of magazines. N. McBride and D. Meid were the two highest salesmen with $157.25 and $157.00, respectively. The highest boy and girl salesman each received a trophy. They were N. McBride and S. Swain.

The two pound boxes of candy which were awarded to the high salesmen of each day were received by: L. Blair, V. Allmandinger, N. McBride, M. Strater, W. Briant, W. Freiburger, M. A. Freiburger, J. Adams, S. Swain, B. Smith, and P. Emrick. D. Meid and J. Lowe assisted Mr. Charles Eickhoff in reporting each day's progress to the student body. Once more the Trojans put over their drive for magazines sales to finance the assembly programs.

Projectionist Club

Back Row: Donald Weaver, sponsor; Bill Dial, Jack Dold, Larry Blair, Paul Justus, Karl Klemm, Dick Knoblauch
Front Row: Vernon Allmandinger, David Musel, Bob Douglass, David Taylor, Bob Letsinger, Jim Robbins, Dick Hill

Everyone enjoys moving pictures either for education or for amusement. Here at Elmhurst the Projectionist Club educates us with films. These films are shown in order to help the students understand the points that the teachers are stressing. Another activity of the Projectionist Club is to play records for the dancing classes. Mr. Don Weaver is the sponsor of the club. He has a group of twelve projectionists. Jack Dold is the head projectionist. Each projectionist works toward receiving a pin, which is given for every fifty projections.

Red Cross Club

Marilyn Roser, treasurer; Mary Ann Kimmell, head hall monitor; Joe Specht, vice-president; Nancy McSwane, student supervisor of county schools; Jim Lowe, president; Barbara Allen, secretary

The Red Cross Club is one of the largest and finest clubs at Elmhurst. At Christmas, the members and their sponsor, Miss Ruth Wimmer, decorate the school. The entrance is adorned with a Christmas tree; and the new cafeteria, with sleighs and reindeers. This year the club sent post cards abroad for United Nations Day.

Members of the club are office workers, hall monitors, and library pages every period of the day.

Phi-Chem Club

Joe Specht, vice-president; David Stevenson, president of Indiana Junior Academy of Science; Bob Letsinger, president; Mary Lou Ferrey, secretary

Members and past members of Miss Ruth Wimmer's chemistry class and Mr. Don Weaver's physics class make up the Phi-Chem Club. The purpose of the club is to acquaint the members with industries outside the classroom. The club took a trip to Valparaiso University to the annual meeting of the Junior Academy of Science. Another trip was a 2½ hour tour through Salisbury Axle Co. The meetings are prefaced by a roll call which the members answer by telling of a new development in the world of science.

Commercial Club

Larry Haynes, vice-president; Martha Walker, secretary; Betty Paxton, president; Phyllis Richardson, treasurer

The 116 members of the 1955 Commercial Club, sponsored by Miss Ural Edwards, Mr. Donald Fryback, and Mr. Glen Hammer, are preparing for a future in the business world by way of typing, shorthand, and bookkeeping.

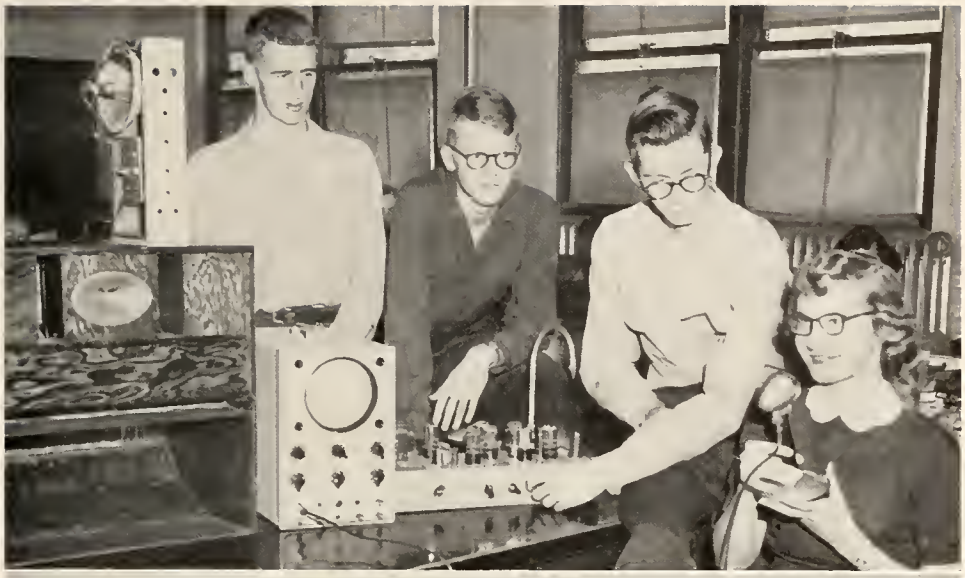
An annual banquet is the main event of the commercial year and is highlighted by the presentation of awards to many deserving students for achievements in bookkeeping, shorthand, and typing. Also on this occasion, officers for the succeeding year are announced.

Speakers' Stand

Paul Fields, Speakers' Stand president; Norma Hook, NFL vice-president; Larry Goss, NFL president; Sally Ewing, Speakers' Stand secretary-treasurer and NFL pointkeeper; Marilyn Roser, Speakers' Stand vice-president

The Speakers' Stand is organized to help the students develop better speech habits and more interest in speech activities. Mr. Gerwig acts as sponsor. Under his leadership, the members participate in the Junior Town meeting debate and in various other speech contests. Those voices over the public address come from members of the Speakers' Stand. After earning twenty-one points in Speakers' Stand, a student is automatically a member of the National Forensic League. To earn points toward a N.F.L. degree or pin the student must participate in town meetings and other speech contests.

Hi Larry! Although I don't know you very well I'm sure I'll like you as much as I do the others I know from this year. Boy, it really has been fun - I hope it's been as good a year for you. Well, I guess it's time to make it short. Be good to yourself and have a great summer - it's your last year! Just remember, the more you put into it, the more you get out of it. Good luck in the future. Don't forget to write sometimes. Hi Boy, I'm sure you'll be a good "meanie". Really, I'm sorry I didn't know you better this year. I'm sure we'd have been so ornery and have a great time together. Well, I guess it's time to close



Main Advance Staff

Seated: N. McSwane, Editor-in-chief
Standing: L. Blair, Circulation Manager; L. Morford, Advertising Manager; R. Hill, Business Manager; J. Lowe, Sports Editor; J. Springer, Feature Editor; M. Backs, Make-up Editor; M. Walker, News Editor; M. Roser, Chief Copyreader

One of the very busiest organizations in the school is the *ADVANCE* Staff under the direction of Mrs. Ella Barter and Mr. Donald Fryback.

A great deal of progress is made on the *ADVANCE* during the journalism class held last period of each day. With the hard work of other staff members the paper is printed and published monthly. Stories in the school paper consist of sports, social events, club activities, fads, and gossip.

E's and Quill and Scroll pins are awarded to outstanding staff members at the annual *ADVANCE* banquet held in the spring.

Dramatics Class

Back Row: S. Turner, D. Smithson, L. Goss, J. Hughes, C. Woods, L. Slater, L. Revett, S. Woods, K. Schneider, P. Thornburg, B. Moore
Front Row: P. Cler, M. Breeden, P. Fee, I. Graves, B. Girardot, B. Favory, P. Curtis, P. Genth, D. Meyers, C. Herber, P. Richardson, M. Hamilton, E. Churchward, J. Eackler

The Dramatics Class, which meets last period every day, has prepared a number of assembly programs for the school. Two of the short plays were: "The Balcony Scene" and "Cracked Ice." With the help of the Glee Club and band, they put on a very colorful and inspiring Christmas program. Any student in school is eligible to take dramatics. The club members also take part in many speech meets throughout the year. *Our Hearts Were Young and Gay*, a three act comedy, was given March 27 under the supervision of Mr. Arthur Gerwig.

F. T. A.

Martha Walker, president; Ed Seidel, treasurer; Norma Heer, secretary; Mary Lou Ferrey, vice-president

The Future Teachers of America, under the leadership of Mrs. Anita Oldham, is a club established to promote interest in those students wishing to become teachers. The group which is studious, rather than social, has as its main activities the visiting of a particular state college and student teaching at the various township grade schools.

We have had a very busy year here in the Dramatics Class & we have had a real Dramatic Year. Thank you Mrs. Oldham for being the Sponsor of the Dramatics Class. May the Dramatics Class have a good & prosperous year.

G U S Club

Back Row: Mary Lou Ferrey, president; Harold Dautz, treasurer; Stuart Trainer, vice-president
Front Row: John F. Arnold, sponsor; Annamae Riddagh, secretary

One of the top clubs in membership appeal here at Elmhurst this year is the GUS Club under the supervision of Mr. John Arnold. This club was formed four years ago. The GUS Club is limited to just those students who have taken or are taking government, sociology, or U. S. history under Mr. Arnold. The purpose of this club is to promote a better understanding of social, economic, and political aspects of modern living by going on field trips to see these various phases of life.

Glee Club

Back Row: Bill Ferrell, student director; Marlene Beck, secretary; Lorraine Churchward, leader of first soprano section; Bonnie Sonner, treasurer; Kurt Stewart, leader of bass section
Front Row: Carole Roehm, leader of second alto section; Carroll Woods, president; Pat Jerraid, leader of first alto section; Arlene Adams, vice-president

The sixth period of each day the little song birds gather to sing a little song with Mrs. Darlene Critchley in room 20. The club consists of both male and female members. One of the main events of this year was the musical background which they supplied for the Christmas program which was put on for the P.T.A. Open House and later for the student body. They participate in several music contests during the year. Eighty points plus a two year membership in the club will gain a member a letter.

Home Ec Club

Carolyn Herber, president; Barbara Henry, secretary-treasurer; Dolores Meyer, vice-president; Bonnie Coleman, student adviser

Mrs. Marion Deahl is sponsor of the Home Ec Club whose members went all out to sell stationery and hot pads. Selling these materials, being an officer, attending meetings and being on committees are ways of earning 360 points which entitle a member to an E. Awards earned in Home Ec Club were presented to the members at a Mother-Daughter Banquet near the end of the second semester.

High Steppers

The high steppers of '53 made a big hit at the State Twirling Contest at New Haven on October 11, 1952, where all won honors. Other events during the year were the Annual Twirling Contest at Elmhurst with Jackie Barr taking top honors, followed by Phyllis Waldrop and Janice Landrum.

Resplendent in their new uniforms of red with grey trim, the twirlers and flag bearers performed between halves of home games.

An outstanding event for the twirlers was the honor of having four of them chosen to appear at the ALL STAR BASKETBALL GAME.

Annie says, "Hats off," to them for all their efforts.

Musical Memories

Flashing in their bright scarlet jackets, the band of '53 made a big hit. They started the season with the dedication of the War Memorial Coliseum. Next came their big event, the District Marching Contest. The band placed first and missed Sweep Stakes by 1/10 of a point. Other events were as follows: Armistice Day Parade, Christmas Concert, Annual Winter Concert, Allen County Band Festival, State Band Contest, and the playing at all home basketball games.

Band members must pass certain entrance requirements to get into the band. Due to the large increase in our school, the band is now placed in a higher class against stiffer competition.

Annie wishes to thank the band and its director, Lester Doell, for a splendid performance during the year.

Janice Landrum, Joan Altman, Judie Wire, Marilyn Bruns, Jean Adams, Delores Lahr, Carolyn Cox

Booster Club

Judy Springer, secretary; Dave Meid, president; Marilyn Roser, treasurer

The membership of the Booster Club this year was composed of sixty-four sophomores, juniors, and seniors. That number was chosen so that there could be eight rows of eight members each in the organized cheering section. Each row had a row captain who picked the seven other members of his row. The members wore white shirts and white blouses which lent a great deal to the atmosphere. The cheering section was under Mrs. Betty Gordon's steadying influence while Mr. Glen Hammer supervised the selling of refreshments at all home games. Due to the revamping movement this year, a great future is assured for the Booster Club.

Rifle Team

Back Row: Shirley Woods, Janice Johnson, Carolyn Logan, Nancy May, Mr. Don Weaver
Front Row: Charles Crawford, Paul Henry, Richard Merrill, Don Chapman, Kenny Armitage, John Roth

The members of the Rifle Club are members of not just another club but are members of an organization that gives its members the chance to improve their shooting eye and to develop the sportsmanship, the fair play, the self-control, and the cooperation essential to success in life.

The Rifle Club elected Kenneth Armitage president; Carolyn Logan, vice-president; and Paul Henry, secretary. The club's sponsor, Mr. Don Weaver, selected the nine sharpest shooting members for berths on the Elmhurst High School Varsity Rifle Team.

Softball Team

Back Row: Donald Fryback, Coach; Jerome Morton, Bob Wilson, Dick Schey, Paul Henry, Gene Lee, David Wagner
Middle Row: Raymond Henry, Larry Haynes, Bill Sims, Lynn Lee, Dave Meid, Jim Lowe, Stuart Trainer
Front Row: Douglas Bay, Jim Moore, Earl Mann, Dick Hill, Ronnie Snyder, Charles Pickard, Dick Bunnell

It was just another one of those seasons for the 1952 softball squad. A record of 4 wins and 4 losses proves that particular point. But our team had a lot of nice experiences and learned some of the game's fundamentals. So — it wasn't such a bad season after all. The season's record: Huntertown, 1 win, 2 losses; Lafayette Central, 1 win; Ossian, 1 loss; Arcola, 2 wins; Leo, (County Tournament) 1 loss.

Individual batting averages: Wagner — .529, Moore — .467, Wilson — .320, Sims — .313, Meid — .400, Schey — .356, Haynes — .353, Huyghe — .346, G. Lee — .286, Trainer — .263, Morton — .250, Lowe — .222, Bay — .200, Mann — .200, Snyder — .200, R. Henry — .125, P. Henry — .111, Bunnell — .000, L. Lee — .000, Pickard — .000.

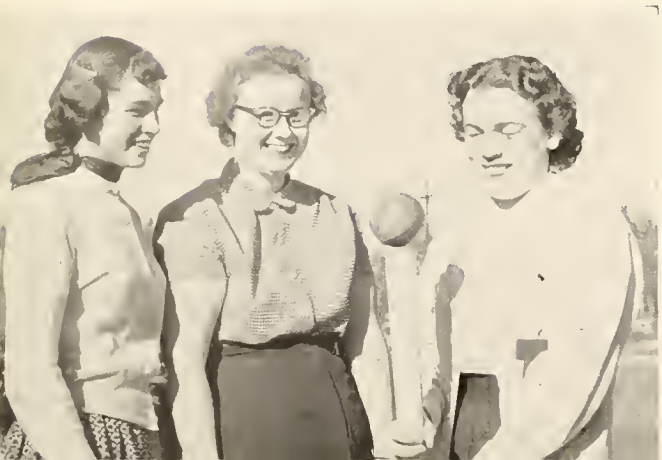
Girls'

The Girls' Athletic Association, a club formed to develop girls' interest in sports, is supervised by Mrs. Jeanette McClure.

The girls started off 1953 by participating in softball games held in the athletic field. During the winter months they played volleyball and basketball in the gym on Tuesdays and Thursdays. They are concluding the year with softball. When each of these organized sports is brought to an end the girls hand in their unorganized sports which include such things as bowling, swimming, and horseback riding.



Amy Buskirk, organized sports leader; Marcia Strater, unorganized sports leader; Sally Ewing, treasurer

Back Row: Marilyn Schoenemann, Marcia Strater, Dorcas Knoblauch, Anna Belle Taylor, Nila McMahon, Barbara Fleek, Anita Zander, Linda Schoenemann

Hi Larry! Hope this brings back memories. Just think of all those years you are a junior and a basketball player. Thanks for the fun times. Marlene

Sports

To receive an E in G.A.A., the members must earn 250 points. They are given 10 points for each organized activity and 5 points for each unorganized activity. After they earn their letter, the girls may work to get 350 points for a plaque.

A swimming party was the G.A.A.'s first semester activity. It turned out to be a gala affair with the girls playing water games and trying to manipulate the different types of water equipment. The final social activity of the G.A.A. year will be their annual trip to Pokagon State Park where they swim and bathe in the sun on the sandy beach.

Good luck to one of our hero basketball players. Ever BARBARA '54

To Larrio

Hi Larry. How be ya? It really has been fun knowing you. We have had lots of swell times together. Wish it could be more. Remember the nite I made coffee? You are really a nice guy. You have a wonderful personality. Say - I'll start shopping at your meat market. O.K.? I'll bet you are really a good chicken cutter upper. So you are a steady now. Hmm? I'm savvy to hear that. Well, sincerely though. I wish you all the luck in the world. You deserve it. Hope you have a good basketball year next year. Know you will. It was fun being in Biology with you. It passed that dull old Class. Hope the Cubs do a lot better. Well, Be good Larry. May you have the best always.

Best Wishes
Good Luck next year and always.
